case study

Cincopa, a dynamic player in the media hosting industry, offers comprehensive solutions for storing and sharing various media content seamlessly across the web.

THE PROBLEM

Cincopa faced tough competition from big players like YouTube and Wistia, making it hard for them to get noticed. On top of that, they were new to advertising, so they weren't sure how to attract and keep users interested in what they had to offer.

CLIENT TESTIMONIAL

Working with SW has been a game changer for us in terms of sales and monthly revenue. They took responsibility of all our marketing goals like professionals right from the start they understand our ambitions, market.

They use the same budget that we were burning previously but not getting the best of sales, but with in 2 months they not only tripled our monthly revenue but our daily ordered boosted from 1,2 to 7-8.

Thank you SW we recommend anyone who wants to generate more SALES and REVENUE.
